Concerning Lynching.

folly. If the experience of the South

in lynching proves one thing beyond

all others it is that lynching does not

stop the crime. The number of these

crimes in spite of the hundreds of

victims tortured by mobs annually are

arguments which speak louder than

2nd. The advocate of lynching is an

advocate of return to barbarism and

savagery pure and simple; a state

from which we have passed by many

years of toil and labor. We read with

amazement of the acts of South Ses

Island cannibals and American

3rd. Such acts bring upon us the re

regard of the laws of the civilized

world should exist in our land. They

read of some hundreds of lynchings in

the South in twelve months and re-

4th. Mobs cannot be controlled. The

5th. Lynching is itself a crime of

the worst sort. It involves a total

disregard for the law. Disregard for

law by the white race fosters the

same spirit in the colored race. Yet

some of our citizens in public print have

regretted that our governor carried

out his oath of office and endeavored

to prevent a flagrant disregard of the

laws of our State being exhibited in

our own section; have charged our

governor and the best newspapers of

the South with bowing before negro

philists of the North. If such were

true we would bow our heads in

shame. But the fact is our manliest

governors and our most truly Southern

papers are a unit on the subject of

lynching. They favor civilization as

one of great concern. The crime,

which is the occ sion of most cases of

punishment. But as a respectable

nation we cannot afford to turn these

over to an insane mob which is com.

operation as will prevent a repetition

of the act on his part and then with

an adopted brand or mark in a con-

spicuous place on his ear or forehead

release him. We believe this will do

more to prevent the crime in a few

years than all the lynching since the
